ABOUT E HĪMENI KĀKOU

E Hīmeni Kākou, Hawai‘i’s collegiate choral festival, is sponsored by the Hawai‘i chapter of the American Choral Director’s Association (HI-ACDA). The event’s mission is to:

- expand choral opportunities and experiences for college students in Hawai‘i;
- connect the various choral programs and faculties of Hawai‘i’s colleges and universities; and
- expose O‘ahu audiences to the vast range of repertoire and talent within Hawai‘i’s institutes of higher education.

During the past week, our clinician has visited each college and university campus to meet student and faculty, and to clinic choirs. As a mass choir, the students rehearsed last night and all day today to prepare the closing portion of the program. The event is a production of the College and University Repertoire & Standards committee of the Hawai‘i chapter of the ACDA.

ABOUT ACDA

Founded in 1959, the **American Choral Directors Association** (ACDA) is a nonprofit music-education organization whose central purpose is to promote excellence in choral music through performance, composition, publication, research, and teaching. In addition, ACDA strives through arts advocacy to elevate choral music’s position in American society.

Membership consists of choral directors who represent more than one million singers across the United States. Members teach choral music in public and private schools—kindergarten through senior high school—and at the college and university levels. They conduct a variety of choral groups, including boychoirs, children’s choirs, men’s and women’s choruses, junior and senior high school choirs, college and university choruses, ethnic choirs, vocal-jazz ensembles, and symphony choruses. They also conduct choirs in their communities and in their places of worship.

The Association is divided into seven geographic regions/divisions, as well as fifty state chapters, each with its own conferences, newsletters, festivals, clinics, and workshops. Whether at the National, Division, or State level, ACDA is structured so that its members can easily involve themselves in the organization’s activities.

In Hawai‘i, the state chapter of ACDA serves as an invaluable resource for the choral community through the sponsorship of workshops, clinics, and membership meetings throughout the year. A major thrust of our efforts is to bring nationally recognized experts in choral music to the islands to work with our directors, choirs, and individual singers to create experiences that nurture a love of choral singing and deepens the ties among us in the choral community in the state.
