## ABOUT ACDA

---

Founded in 1959, the **American Choral Directors Association** (ACDA) is a nonprofit music-education organization whose central purpose is to promote excellence in choral music through performance, composition, publication, research, and teaching. In addition, ACDA strives through arts advocacy to elevate choral music's position in American society.

Membership consists of choral directors who represent more than one million singers across the United States. Members teach choral music in public and private schools—kindergarten through senior high school—and at the college and university levels. They conduct a variety of choral groups, including boychoirs, children's choirs, men's and women's choruses, junior and senior high school choirs, college and university choruses, ethnic choirs, vocal-jazz ensembles, and symphony choruses. They also conduct choirs in their communities and in their places of worship.

The Association is divided into seven geographic regions/divisions, as well as fifty state chapters, each with its own conferences, newsletters, festivals, clinics, and workshops. Whether at the National, Division, or State level, ACDA is structured so that its members can easily involve themselves in the organization's activities.

In Hawai'i, the state chapter of ACDA serves as an invaluable resource for the choral community though the sponsorship of workshops, clinics, and membership meetings throughout the year. A major thrust of our efforts is to bring nationally recognized experts in choral music to the islands to work with our directors, choirs, and individual singers to create experiences that nurture a love of choral singing and deepens the ties among us in the choral community in the state.

For more information, visit [www.acda.org](http://www.acda.org) and [www.hawaiiacda.org](http://www.hawaiiacda.org).

## ABOUT HAWAI'I YOUTH OPERA CHORUS

---

Established in 1961, **Hawai'i Youth Opera Chorus** (HYOC) is Hawai'i's longest running and most advanced community youth choir. They offer a full spectrum of music education welcoming students, grades K–12 from any school on O'ahu. HYOC's welcomes all students regardless of ethnicity, religious preference, gender, or national origin.

Each year, HYOC serves approximately 1,200 students from nearly 100 schools either through weekly involvement with their Saturday Program or in participation through their outreach and festival programs. Participants range from absolute beginners to Hawai'i's finest young vocalists and musicians.

HYOC produces, on average, 20–30 concerts per year, half of which are free to the public including music concerts in elderly care facilities and other community venues. With a commitment to music education, the Hawai'i Youth Opera Chorus has been making music since 1961. HYOC helps to foster the personal and social growth of its members and promotes their self-esteem, as well as giving children a lifetime of music appreciation. All are invited to learn more about HYOC and how their young musicians are building a lifetime of music and arts participation.

## ABOUT NĀ LEO HOU

---

This year's all-state festival strives to showcase the very best of choral education in Hawai'i. Over the past three days, in addition to learning six pieces with our world-renowned clinician Karen Kennedy, students have completed a musical sightreading test, learned a hula, and made new and lasting friendships. In the spirit of showcasing musical growth and excellence, the first portion of today's program will consist of adjudicated performances by several of our individual participating school and community choirs. The program will conclude with our Nā Leo Hou Festival Choir of more than 380 singers.

As the festival chorus takes the stage, a calabash offering will be taken. This offering helps support programs and festivals like Nā Leo Hou across our state. We sincerely hope you enjoy this afternoon's program!
